7. Frost the cake after a couple hours and top with more mini chocolate chips & crushed of waffle cones or cannoli shells!

## Notes

All the best flavors of a cannoli, carefully combined in order to make the absolute most delicious easy to

prepare cannoli poke cake. This is a show stopping cake that I have been making for years for every occasion. Perfect for Christmas festivities, Thanksgiving, Easter, baby showers, birthday parties; basically any event you need a crowd pleasing show stopper! The creamy whipped topping is made with mascarpone, butter, ricotta, vanilla, heavy cream, and powdered sugar. Then that is topped with mini chocolate chips and waffle cone pieces, to give you that true cannoli experience.
